

Copper Beech Elementary PTA Membership Form

825 N. Easton Rd. Glenside, PA 19038

“TEAMWORK” makes the “DREAM” work.

Be a part of something big, join PTA today!

The PTA is asking for your assistance so we can work together to support our students and school. The Copper Beech Elementary PTA is a dynamic organization of parents and teachers committed to making Copper Beech Elementary the best it can be.

Every membership helps our PTA provide support to our school. For every \$10 membership, \$5 goes directly to the Copper Beech Elementary to sponsor the many programs during the year, including assemblies, Science Day, and field trip contributions. The remaining \$5 goes towards dues to the state and national PTA organizations.

Membership also entitles the cardholder to \$2 discount at the following science centers: The Franklin Institute, The Da Vinci Science Center in the Lehigh Valley, and the Lancaster Science Factory in Lancaster. More information can be found at: pa.pta.org
