

Willow Hill Elementary School

2009-2010

Parent Involvement Policy

Willow Elementary School believes that parent involvement is essential to a student's academic success. To honor this commitment to provide the best possible educational experience for the student, the Willow Hill staff invites parents/guardians of Title I students to:

- Participate in the on-going development and revision of the school's Parent Involvement Policy by attending the meeting that is planned for this purpose
- Attend the annual meeting for parents/guardians of students in the Title I program
- Review academic achievement progress reports that are prepared for their students and contact the school with any questions or concerns related to the reports
- Propose suggestions for agenda items for Title I Parent Meetings

The Willow Hill staff will:

- Hold meetings to address specific issues related to:
 - Title I including an Annual meeting
 - Information and materials for on-going parent involvement in their student's education
 - Interpretation of the Pennsylvania Academic Standards and PSSA results
- Schedule the meetings related to the Title I program to best accommodate parents' schedules and to provide child care, as needed, during the meetings
- Provide parents with an Abington School District Parent Handbook, the document that describes the grade level content and performance level indicators, for their student's grade level

Together, the Title I Parents and the Willow Hill staff support this Parent Involvement Policy and agree to work toward achieving the common goal of academic proficiency for all students.
