Dear Copper Beech Students,

We are so excited to announce our reading incentive for the summer of 2018!

***Postcards from My Reading Travels!***

We want you to remember that you can go anywhere with books. As you go places over the summer and find yourself reading a good book, create a postcard (see attached) to make a memory. Attach a photo or draw a picture of yourself reading, describe what you are reading, and tell where you are.

We challenge you to create as many postcards as you can. Blank postcards can be found on our school website. Bring them into school during the first week in September. Students who participate will receive recognition for participating. The postcards will be displayed throughout September, and classes will get to recognize them for categories such as:

Most Funny  
Most Creative

Furthest Destination  
Most Unique

Enjoy your summer. We look forward to seeing your adventures in reading!
