

# COPPER BEECH ELEMENTARY SCHOOL SCIENCE FAIR

FRIDAY, MARCH 20th • 6-9pm

Students in grades K-6 are invited to make an interactive, poster presentation in one of two ways:

**Experiment:** students pose a question and a test of this question to make a final conclusion.

**Demonstration:** Presenting on a specific science topic you are interested.

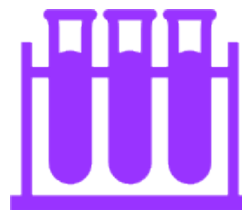

Experiments and Demonstrations must be in one of the following categories:

- Animals, Plants and Human Body
- Chemistry and Physics
- Earth Science and Space
- Computer Science and Mathematics
- Engineering and Electronics
- Teams (groups of 2-3 students completing a project on any topic)

Special science fair awards will be given in the following categories:

- ◇ Most Creative
- ◇ Grossest Project
- ◇ Funniest Project
- ◇ Student Choice

**Signup by Friday, January 31st online**
