

Copper Beech Pink Week

October, 2018

Dear Parents and Students,

During the week of October 15- 19 Copper Beech will have a pink week. This week is in honor of all the families impacted by cancer. We are encouraging students and staff to wear pink throughout the week. We hope to reinforce our Copper Beech C.A.R.E.S motto with a service project in addition to Pink Week. With your help, we can teach our students that through cooperation, we can show our empathy for others by giving back to our community. We will be collecting **NEW** socks (Infant through adult men and women sizes) to be distributed to families through the Breathing Room Foundation. ** No gently used items please **

Please send all items into school with your child and place it in the collection bins outside of Mrs. Gabry's, Mrs. Gerson's and Mrs. Nicholson's classrooms. The collection will run throughout the week of October 15, 2018.

Monday	Tuesday	Wednesday	Thursday	Friday
Pink Sock Day *wear your favorite socks	Pink Day *wear your favorite accessories sunglasses, scarf, headbands, etc...)	Pink Shirt Day *wear your favorite pink shirt	Pink Hat Day *wear your favorite hat today	Pink PJ Day *wear your favorite pajamas
				

Please know that participation in this endeavor is optional and at the discretion of our families.
