Let's fly together Saturday morning by constructing a bird costume inspired by our local flying friends. Using paint, feathers, paper, and fabric, children will explore their imagination and learn about the winged creatures of our natural world.

### K4B | Create a Life Size Self-Portrait

Saturday, July 27

10:30 am-noon

Register at: <https://www.tix.com/ticket-sales/woodmereartmuseum/6096/event/1380990>

Children will create their very own life size portrait! They will trace each others' bodies on paper, cut them out, and use colors to describe their mood, design patterns to create clothing, and experiment with various materials to symbolize different parts of themselves.
