

To provide children the opportunity to participate in organized/sanctioned AAU basketball year-round at an affordable cost, while at the same time teaching the importance of education, respect, teamwork, commitment and hard work.

**Tryouts will begin September/October 2019 for the upcoming 2019/2020 season.
See you then!**

Tryout Info: Tryouts are conducted annually in September/October and rosters are finalized thereafter. There is a non-refundable \$25.00 tryout fee. Dates and times for tryouts will be announced on the website no later than September 20th, 2019 for the upcoming season.

Roster Info: AAU basketball is competitive, and rosters are chosen by Coach(es) of the team(s).

Ages: Incoming 5th and 6th grade boys. There may be an A and B team.

Costs: Everything is at cost. Annual team membership fee of \$32.00 as well as AAU Insurance fee of \$16.00 are both required. Purchase of a required uniform (shooter shirt, jersey, shorts, and socks) is at cost. Approximately \$100.00 to \$150.00 (TBD).

It is anticipated that there will be an average of 6-10 tournaments annually dependent upon participation in other leagues. All costs are divided evenly among the team. Generally, a tournament can range from \$20 to \$40 per player. Tournaments provide 3 games and an additional championship game, if warranted. As for league costs they may vary, but as an example, in 2019, the cost for a Spring League participation was \$100 per player. As noted above, team membership fee and insurance are required.

Time Commitment: The AAU Season can run all year round; however, there will be breaks throughout. **We are looking for committed, passionate, basketball-loving kids.** Practices will be held one to two times a week (TBD) with the possibility of one tournament monthly. Consideration is given to conflicts with leagues vs tournaments. Tournaments are generally local but may be up a two-hour radius of the Abington area.

The Revolution will make every effort to keep all fees at cost, and any surplus will be used to cover the cost of the website, insurances, team fees and if possible, to assist and support player fees and/or rewards for the children for a job well done.
