January 27, 2020

Dear Abington/Rockledge Families,

As your School Board President, it is my goal to lead with integrity, transparency, and fidelity. During the January 21, 2020 school board meeting, comments were made by Board members regarding police and school resource officers. Abington Township Police Chief Patrick Molloy has asked to address the Abington School Board with information pertaining to the long-standing relationship between the Abington School District and the Abington Township Police Department.

Given the amount of public interest in this topic and the Board's desire to hear from the community, we are scheduling this presentation to be held at the next Board meeting. This meeting will be held on February 4, 2020 at 7:30 p.m. in the Abington Junior High School Little Theatre located at 2056 Susquehanna Road, Abington, PA. We encourage and value your attendance and participation.

Sincerely,

Shameeka Browne, President  
Abington School District Board of School Directors
