Dear Abington/Rockledge Families,

Due to the extraordinary volume of public comment received on the proposed revisions to the District's Health and Safety Plan and Emergency Instructional Time Plan, the Superintendent and I decided to remove the action items regarding those revisions from tonight's agenda and move them to a special meeting to be scheduled for **Tuesday, October 20, 2020 at 7:00 p.m.** This decision was made in accordance with the Board Policy regarding Procedures for Board Meetings, which can be found at:

Information regarding accessing that meeting and providing public comment will be posted on the District's website.

This evening, the Administration will present a potential plan during the orientation portion of the meeting on which the Board will have the opportunity to deliberate. Additionally, in accordance with Board Policy, the Board will hear approximately one hour of public comment. All comments submitted for tonight's meeting, whether read or not, will be provided to the Board and posted publicly on the District's website no later than Friday, October 16th.

Sincerely,

Shameeka Browne, President
