

UPDATE FOR SCHOOL VOLUNTEERS – March 9, 2020

In an effort to maintain the health and wellbeing of our students and staff across Abington Schools, we are asking that any volunteers or outside visitors planning to enter our buildings remain at home if they are experiencing any symptoms related to illness. Please consider the health of our school community and, if you feel ill or are recently recovering from being sick, do not volunteer or attend school-based events. We appreciate your cooperation, as well as, your commitment to making Abington Schools positive and safe learning environments year round.
