The District recognizes the value of parent/guardian involvement in the education of students participating in Title I programs.

In order to ensure collaborative partnerships with parents/guardians of students served by Title I programs, Abington School District will:

- Involve parents/guardians of students participating in Title I programs in the joint development of the District’s overall Title I plan and the process for school review and improvement
  - Provide coordination, technical assistance and necessary support to schools that receive Title I funds in order to enable them to plan and implement effective parent/guardian involvement programs
  - Provide support to enable the schools to develop activities that build capacity for strong parental/guardian involvement
  - Coordinate Title I parent/guardian involvement activities with other appropriate programs
  - Involve parents/guardians of students participating in Title I programs in an annual evaluation of the Parent/Guardian Involvement policies for the LEA and for the Title I schools
  - Involve parents/guardians of students participating in Title I programs in an annual evaluation of the Parent/Guardian Involvement programs held at the Title I schools
  - Provide coordination between local pre-schools and the district’s schools to ensure a smooth transition for students entering kindergarten and/or grade 1 in the District’s schools
  - Identify and address barriers to greater participation by families who are economically disadvantaged, have disabilities, or have limited English proficiency
