

Dear Parents, Guardians and Students,

We are very excited that the Abington Senior High School additions and renovations project has commenced. This project will provide our students with a state-of-the-art facility for teaching and learning. Unfortunately, the construction project will require portions of the parking lot on the southwest side of the building (the student lot) to be closed. Additionally, a new routine for morning arrival and afternoon departure has been created to address these changes. Updated procedures for student arrival and dismissal are below, and campus maps showing locations referenced in the procedures are attached. **These changes will take place starting Tuesday, January 22, 2019.**

Arrival Procedures:

Students taking the bus: Students will arrive at the bus-loading platform in the same manner they have done all year. Students who need to take the AM bus to the Eastern Center for Arts and Technology will board the bus in the same location (Location “B” on attached AM Arrival Map).

Students who take AM transfer buses to private schools will now board them in a new location. The buses will be located near the bus-loading platform outside Cafeteria B. (Location “B” on the attached AM Arrival Map)

Students dropped off by parent/guardian: Parent/guardian drop-off will now take place on the north side of the building along the curb in the faculty parking lot (Location “C” on the attached AM Arrival Map). Parents/guardians may exit the drop-off area east toward Highland Ave or north toward Abington Junior High School. Students will enter the building through the gym lobby. Parent/guardian and student vehicles should not enter the area along the gym entrance. This area is only for buses.

Students driving to school: Students who have a parking permit will continue to park in their assigned parking space. **Ghost Road between Charles Street and Highland Avenue will be closed to traffic during the school day from 7:45 a.m. to 2:00 pm.** Students arriving or leaving campus during that time will need to travel through the north side of campus toward the junior high or administration building.

Dismissal Procedures:

Students taking the bus: Students will depart on their same assigned bus routes. **A new bus map showing where each bus will be parked at dismissal is attached and will be posted on campus.** There will be no changes to 4:15 p.m. and 5:15 p.m. activity bus routes or locations.

Students picked up by parent/guardian: Parent/guardian pick-up will continue to take place on the north side of the building. **Parents may exit the pick-up area east toward Highland Ave or north toward Abington Junior High School.**

Students driving to school: Students who drive to school will continue to park in their assigned parking space. **Because of the new bus locations, students will not be able to depart campus in their vehicle between 2:15 p.m. and 2:45 p.m. (They will leave after all buses have departed).**

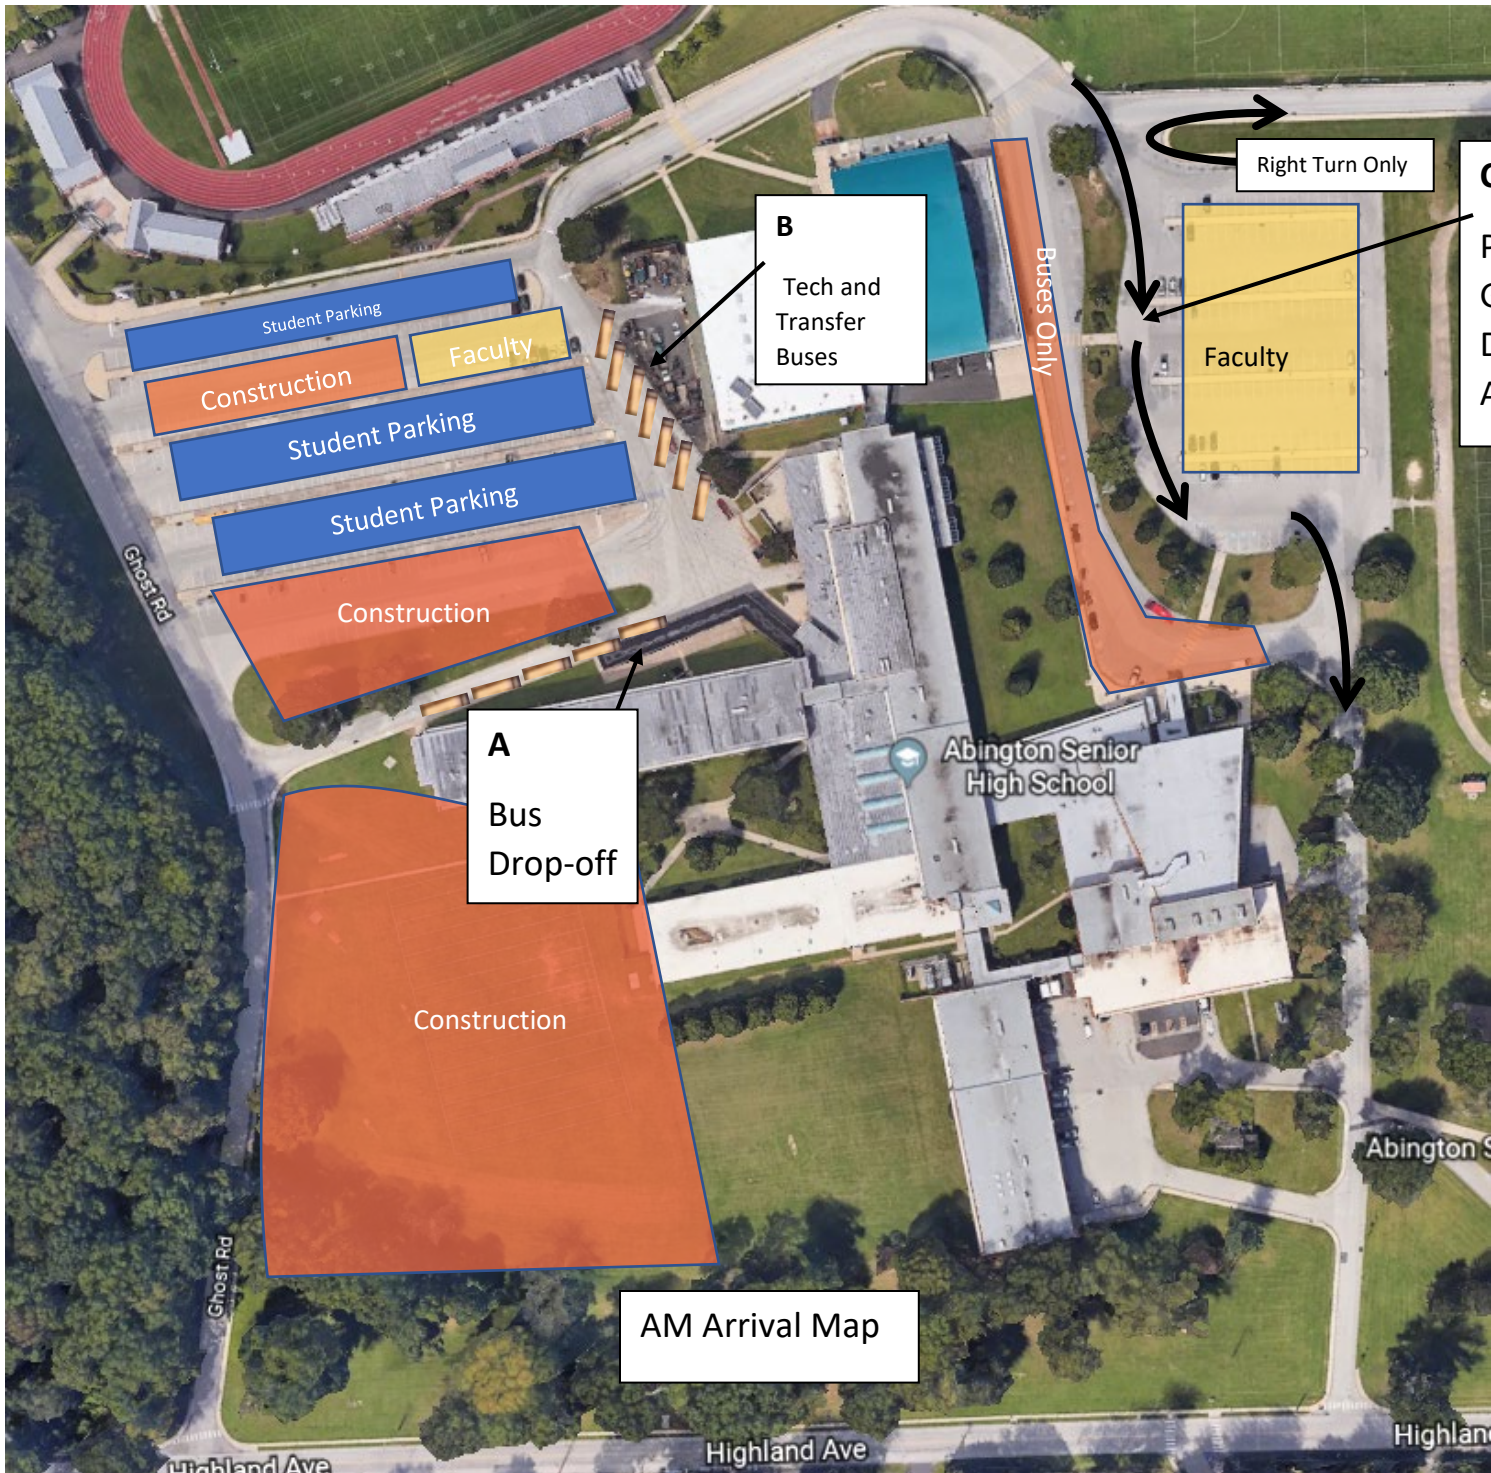

It you have any questions or concerns about the arrival and dismal procedures, parking, or related matters, please contact Assistant Principal Bradley Palmer at ASHS 215-884-4700 ext. 2362.
